The following are haiku, senryuu, and tanka poetry that I have written.

Haiku

“In the forest, the shiver of pines. The trees speak.”

...

“Clear sky, in the silence of midnight. A cold wind.”

Senryuu (Senryuu are informal, ironic or silly poems)

“On the first day of spring, flowers should bloom, but snow falls.”

...

“I can't enter, the quickly closing automatic door.”

Tanka

“In Minnesota, when it becomes warm, it quickly becomes cold. Tighten your scarf.”
